

# Repair stations on campus

## RadBox is closed?

**You can repair your bicycle around the clock at the repair stations on campus! There you'll find air pumps aswell.**

### RadBox

### Sportinstitut

## Locations

### RadBox:

**Grey box located inbetween RadBox and DHL. The box can be opened to access basic tools and a pump.**

### Sportinstitut:

**High-quality repair station right next to the main entrance of the Sportinstitut building. Open access to basic and some more advanced tools as well as a pump. Bicycle can be hung up for easier repair.**
